

TILQUA TILQUA GALLERY INFO

about the gallery

The gallery occupies the ground floor of a wide terrace building, opening onto Enmore Rd. There are large full length windows allowing for plenty of light (and good visibility of works on display for passersby). The exhibition space is spread over two rooms. The rooms are set up for exhibiting both framed and unframed works. (See floor plan on last page.)

The main room has approximately 12 linear metres of wall space with a track hanging system installed. The walls are lined with sheet metal to allow for convenient magnet attachment of unframed works on paper.

The smaller second room offers a further 8 linear metres of wall space with track and magnet hanging.

There is access to a kitchenette (with sink, bar fridge and microwave), toilet and courtyard. If you are wanting to use the space for a workshop there is also access to the facilities in our studio/print workshop (by arrangement).

There is plenty of access to public transport—we are close to bus stops for several handy routes and Newtown Station is about ten minutes walk away. There is usually free parking available close by (if not immediately outside the gallery). For delivery and pick up of art works we can also offer on-site parking.

how the gallery operates

The standard hire period is for one week running from Tuesday to Monday. We encourage bookings for longer periods, however!

The gallery is usually open 12–6pm Thurs, Fri, Sat and 12–4pm Sun. However you can choose the opening hours that suit you best, and when you want to have an opening event. The only restriction is that the flat above the gallery is occupied, so late nights are not possible.

You are responsible for organising the sitting the gallery while it is open.

what we offer
